

las Fir, built-in Western Holly ranges and XX eye level ovens in metal finishes, steel-framed sliding door walls and 80,000 BTU forced air heating with thermostatic controls.

Dining Bar
Other features include a

hardwood dining bar with a flush light over it, ceramic tile kitchen counters, double compartment sinks, showers over tubs in both baths, sliding windows throughout, inlaid marbled linoleum in all baths, hardwood floors, lath and plaster walls and rockwool insulation. The homes are reached by

turning southwest on Calle Mayor where it intersects the coast highway. Calle Mayor is followed to the first stop sign at Via Miradores where a left turn is taken to Calle Miramar. Another left turn at Calle Miramar leads to the homes.

TO BE happy is not the purpose of our being, but to deserve happiness.—Fichte.

combined assets of the Southwest Savings and Loan Association, including not only the Torrance office, but the main office located in Inglewood, have increased \$5,156,561.31, to a new high of \$27,842,090.22, again placing Southwest in the top ten percent of the nations savings and loan associations in size.

Investors
Investors of both offices now number about 9,669, while borrowers on real estate loans total 4,244.

Southwest will continue to extend the very best in savings and home loan services throughout the coming years, says Bowen, who also urges prospective savers, and those interested in being home owners to drop in the office at 1439 Marcelina Avenue, or to call FAirfax 8-6111 and discuss your problems with personnel experienced in these matters.

Harvey...

in many different industries, such as transportation, aircraft, building and construction, furniture, electrical, farming, marine, and others.

At the present time, Harvey is engaged in an extensive expansion program in Torrance. Giant extrusion presses, capable of "squeezing out" the largest extruded aluminum shapes in the world, are being installed in new buildings now under construction.

The progress made by Harvey since its beginning clearly

indicates that the company is destined to continue to be a major contributor to the technical development and the production capacity of American industry.

The Shell Chemical Corp. Torrance plant pays more than three-quarters of a million dollars annually in taxes to the City and County of Los Angeles.

Torrance Auto Laundry

There is in this area a firm that can save anyone who owns a car a great deal of worry and work, the Torrance Auto Laundry at 1725 W. Carson at corner of Western.

No one really likes the job of washing and polishing the family car. It takes too much time and besides it is a lot of hard work. Like weeding the yard or mowing the lawn, it's necessary but unpleasant. With this firm nearby there is no reason to spend your leisure hours away from your work doing this unpleasant task when they stand ready to take over for you. They have the equipment

to do a better job than you could ever do. The price is reasonable and their work is of the highest quality. A speedy, efficient service is offered to their patrons and the courteous staff will do their best to please you. Torrance Auto Laundry has been successfully operated by the same owners for many years.

Drop in soon or give them a call and get the details. We are sure that once you try their shop you will be one of their regular customers in the future. That is why we wish to recommend them to all in our business review.—Adv.

Hafner's Bakery

For the most tempting selection of fine bakery items in town, go to the Hafner Bakery at 1341 El Prado, phone FA. 8-1735.

You will find here a complete selection of variety breads and rolls as well as cakes, cookies, pies and pastries. Baked in their spic and span kitchens by experts, from the finest ingredients, the products of this outstanding firm are made fresh daily.

Specialists of this firm are their wedding and birthday cakes which are made to order. Beautifully decorated they are sure to please both the eye and the taste.

The next time you are having a party call on this firm for ideas for refreshments. Mr. Hafner, the owner, says no order is too large or too small to warrant their fullest consideration. Centrally located, they offer their customers really delicious products at reasonable prices. They offer a 10% discount to churches, schools and clubs. Drop in and see for yourself the variety of well-made products, they have to offer. Their efficient, courteous staff is always ready to serve you. These are but a few of the many reasons why we wish to recommend this fine bakery to you, our readers.—Adv.

Whittlesey Motors

People have come to rely upon Whittlesey Motors, used cars at 1504 Cabrillo in Torrance, phone FA. 8-2585. For many years they have served this community with a large selection of used cars that are in top mechanical condition. The owners are outstanding businessmen of our community, having a thorough knowledge of cars, their condition and their market value. They conduct the business in an honest, straight from the shoulder manner. No high pressure salesmanship is employed by this firm. They

offer customers cars that are checked and reconditioned by their own mechanics. These cars are well worth the asking price for they can be relied upon to furnish many miles of worry-free driving. If you are in the market for a car we suggest you go to see them before making your next purchase, prices are reasonable and the trade-in allowances are fair. These are some of the many reasons we wish to recommend George Whittlesey and his staff to you in our business review.—Adv.
